

Good Night Gorilla Cut and Tell

Zookeeper Joe was closing up the Zoo. He took out his flashlight and turned it on. He went to the orange cage and said, "Good night, Gorilla." As Zookeeper Joe passed by Gorilla, Gorilla quickly and quietly took the keys from Joe's belt.

1) Gorilla unlocked his cage and tiptoed around the orange cage behind Zookeeper Joe.

Next, Zookeeper Joe went over to the pink cage and said, "Good night, Elephant."

2) Gorilla unlocked Elephant's cage and Gorilla and Elephant tiptoed around the pink cage behind Zookeeper Joe.

Next, Zookeeper Joe went over to the blue cage and said, "Good night, Lion."

3) Gorilla unlocked Lion's cage and Gorilla, Elephant, and Lion tiptoed around the blue cage behind Zookeeper Joe.

Next, Zookeeper Joe went over to the green cage and said, "Good night, Giraffe."

4) Gorilla unlocked Giraffe's cage and Gorilla, Elephant, Lion, and Giraffe tiptoed around the green cage behind Zookeeper Joe.

Next, Zookeeper Joe went over to the yellow cage and said, "Good night, Hyena."

5) Gorilla unlocked Hyena's cage and Gorilla, Elephant, Lion, Giraffe, and Hyena tiptoed around the yellow cage behind Zookeeper Joe.

Next, Zookeeper Joe went over to the purple cage and said, "Good night, Armadillo."

6) Gorilla unlocked Armadillo's cage and Gorilla, Elephant, Lion, Giraffe, Hyena, and Armadillo tiptoed around the purple cage behind Zookeeper Joe.

All the animals followed Zookeeper Joe out of the Zoo and into his house. They got ready for bed, brushed their teeth, put on their pajamas, and snuggled in for the night. Joe turned off the light and said, "Good night." Gorilla said, "Good night." Elephant said, "Good night." Lion said, "Good night." Giraffe said, "Good night." Hyena said, "Good night." Armadillo said, "Good night." Mrs. Zookeeper Peggy turned the light back on and led the animals out of the house back into the Zoo.

7) They went past the cafeteria, past the gift shop, past the restrooms, and back into the Zoo. They put Armadillo back in his purple cage, Hyena back in his yellow cage, Giraffe back in his green cage, Lion back in his blue cage, Elephant back in his pink cage, and Gorilla back in his orange cage.

In the morning when Zookeeper Joe went to give the animals their breakfast, guess who was missing from his cage?

(Unfold and show Gorilla missing from his cage.)
