

Lend a Friend

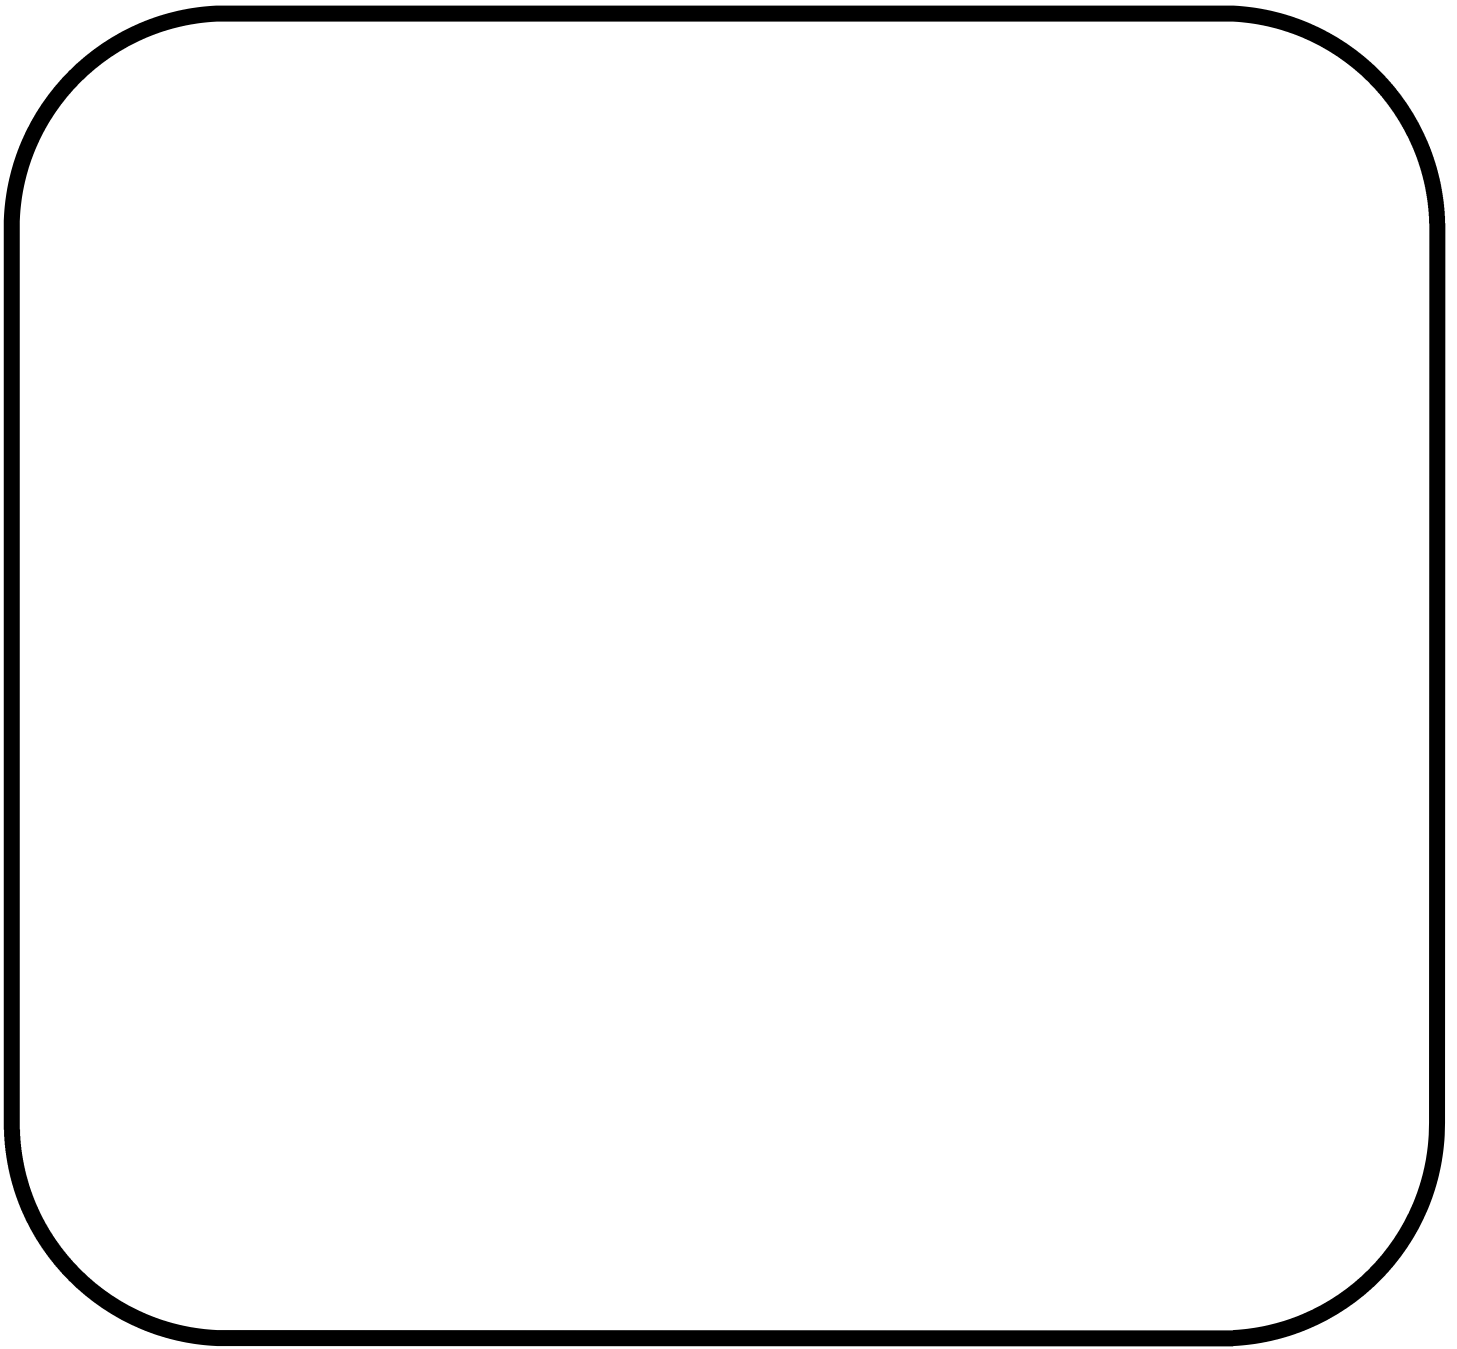

Oliver Wolcott Library 1796 Litchfield, Ct.

Each week someone special will be taking me home to show me what life is like outside of books and the library. Here are some tips to keeping me safe and happy:

- Read a story to me every night so I have sweet dreams (and so I don't get too homesick).
- Don't forget to journal our time together. Draw a picture (or paste one in) of our adventures and write about what we did.
- When you're not having fun with me, keep me in my binder "bed" so I don't get lost.
- Return me to the Library on time so I don't keep my other friends waiting.

Thanks for taking me home!
